shall be conducted within 12 months from the date of issuance of the certificate. Thereafter, surveillance audits shall be conducted at least once every calendar year (except the year of recertification), and the interval between the surveillance audits shall not exceed 15 months. The certification of application must conduct surveillance audits regularly and the registration certificate continues effective after the eligible surveillance audit. Where the scope of certification involves administrative licensing or national compulsory certification requirements, this certificate will become invalid with the invalidation of the relevant administrative license or national compulsory certification.
